I am a member of the IUE/CWA, along
with 50,000 others I am being thrown
out like GARBAGE.
I worked 26 years for General Motors
and 8 more for Delphi Packard Electric
Warren Ohio. We deserve to have our
Contractual pensions and healthcare,
as the UAW members are getting. POVERTY
is not what I worked my whole life for.
Please reconsider, I beg of you!
